Good morning Mr. Duckworth,  
I have actually been assigned to Pacific for six years, so it's here locally where I'm sure we've worked together.

As a criminal prosecutor, I actually can not provide legal advice. I can not provide you with the procedure on removing items from your property. I am not sure which location you represent, but if memory serves me right, it is one of those large shopping centers off of Sepulveda, right?

For this type of information, you will need to contact a private attorney who can provide you that information. If you have questions regarding moving items from public property, you can call 311 and they will connect you to the proper City agency.

I am sorry I could not be more helpful, but I am very limited in terms of the information I can provide.

Hi Claudia...

We've worked together before and it's great to have you here in Westchester. Didn't we work in Hollywood together?

I have a simple question that is probably in a standard memo that's been written before... What is the procedure required to remove property that has been abandoned on the public sidewalks or private parking lots? We got hit with a clothing collection drop box and want to post it and follow the required procedure to maintain Councilman Rosendahl's CD11 in pristine shape.

Thanks for your help.

Hi Don,  
Yes, Westchester does in fact have a neighborhood prosecutor and she's great (Claudia Martin CC'd).

Claudia, Don runs the Westchester BID and has a question about an abandoned property he'd like to ask you. So, Don...ask away  
-Nate
